TURKISH SOCIETY FOR MICROBIOLOGY (TMC) GRANT

A limited number of accommodation grants will be awarded by the Scientific Committee to authors who have submitted an abstract to the XLII Turkish Microbiology Congress and whose abstracts have been accepted as oral presentations.

Application Requirements*

• Being a member of TMC

• Having no outstanding membership fee debt

• Being under the age of 40

• Currently enrolled in or having completed a Master's, PhD, or Medical Specialty training in the field of Microbiology (Associate Professors and Professors are excluded)

• Having paid the congress registration fee (Master's, PhD and Specialty Students: 125 Euro (excluding VAT); Others: 200 Euro (excluding VAT)) and having submitted an abstract (Registration fees will not be refunded to participants who are not awarded the grant.)

• Completing the grant application by July 24, 2026

*Priority will be given to applicants who have not previously benefited from Turkish Society for Microbiology grants.

Only one person per oral presentation may apply for the grant. After uploading the abstract, the completed

grant application form must be sent to tmc@k2-events.com. The presenter of the abstract will be considered the grant applicant.

Grant recipients are required to personally deliver their oral presentations except in cases of force majeure. During abstract submission, the name of the presenting author must be indicated by underlining.

Scope of the Accommodation Grant

• All-inclusive accommodation in double rooms at the congress hotel between November 25–29, 2026

• Airport–hotel–airport transfer services

Application Process

Submission of the abstract via the congress abstract system and completion of the grant application between February 13 – July 24, 2026.
